

## Alpha College, Dublin

Alpha College is located in Dublin City Centre; on a quiet, historic street removed from the noise of the centre of the city.

Alpha has been offering premier English language training since 1989 to a wide range of students; professionals and executives in the education, business, medical, legal and defence forces sectors and older students preparing for retirement.

In addition, Alpha College is an approved training centre for the QQI Certificate in English Language Teaching (CELT) and has been providing in-service training courses for teachers from overseas under Grundtvig and, latterly, Erasmus+ programmes over the last 17 years.

The Alpha Team is, without doubt, Alpha's outstanding asset.

It is a unified, cohesive, focused group of highly qualified, caring, motivated, creative and enthusiastic professionals who are totally committed to supporting all students in getting the maximum benefit from their language training programmes.

The teachers are all university graduates with an impressive range of relevant post-graduate qualifications who work collaboratively to deliver top quality training and who continue to develop their own professional skills through research, observation of positive developments in language training and participation in inspiring training courses and workshops.

The team has a dynamic balance of staff who have been in Alpha for periods of 1 to 28 years, fusing tried and tested traditional methods with more modern technology-based techniques that create a very rounded, robust approach to teaching and learning.

### Accreditations/Memberships

Alpha College is recognised by ACELS, a service of Quality and Qualifications Ireland, for English language teaching. Alpha is also a full member of EAQUALS and IALC. All of these accreditations are dependant on offering quality services to students which are verifiable through on-going self-assessment reports and on-site inspections.

### Social Programme

As well as providing class-room training we also offer a range of teacher-led excursions and visits to places of interest in Dublin and surrounding areas so that students have an opportunity to find out about the history and culture of Dublin and Ireland and practise their English in a more informal way and with a teacher to explain and provide background information these trips are very much appreciated by our visiting teachers.
