Spanish and Flamenco

Course Areas

4 skills

The 4 skills of reading, writing, speaking and listening are all developed systematically through activities, games, role plays etc. Sometimes the approach is more traditional and direct, and sometimes it is more intuitive.

Grammar

We believe that a firm grasp of language structures and grammar is essential and that it also helps as a "signpost" to the student of their progress through their learning of the language.

Vocabulary

Our syllabus details the vocabulary items and areas which we teach at each level, integrated with the development of the 4 skills and grammatical knowledge.

Flamenco Dance classes

5 days per week you have 2 Flamenco Dance classes. These should enable you to be able to hear, identify and repeat basic Flamenco rhythms and perform basic steps and movements. As Flamenco is such an essential and all-pervading element of Spanish culture, knowledge of it helps enhance teaching and an understanding of the Spanish persona and improve motivation.

Culture

Our teaching materials draw on aspects of Spanish life and culture from the very beginning. You will learn about Spain and the Spanish way of life as you progress in your knowledge of Spanish.

Spanish Course Content and Strategies

All our students are tested on the first day and then placed in international classes at the appropriate level. All areas of the Spanish language are covered at each level. Most of the course books used in our teaching are published by Malaca Instituto and created and up-dated by our teachers. There are a maximum of 10 students per class.

We have developed an eclectic teaching philosophy combining many aspects of the communicative approach with structured learning of grammar and syntax. Aspects of Spanish culture are introduced as appropriate.

Homework is set each day to practise and consolidate the day's work and to enable all the students to progress as effectively as possible.

The Class Tutor is responsible for each class and for monitoring each student's progress.

Flamenco Lessons

2 lessons per day of Flamenco dance at beginners level. The aim to provide a basic introduction to this iconic aspect of Andalucian culture which the participants will be able to build on individually but which will provide sufficient knowledge to be useful in the classroom.
