This course is of significant benefit to English language teachers who:

- need to improve their current General English language levels
- refresh their language teaching skills and use of technology in their classes
- share ideas on best practice methodologies, including assessment, with colleagues from across Europe thereby improving overall English language teaching in their schools and, as a result, the learner outcomes for their students.

Objectives

- to develop and consolidate participants' own language skills
- to enhance communication in English between teachers and students
- to familiarise participants with key issues in English language teaching including use of technology and the use of the web as a teaching resource
- to increase awareness of current trends in digital assessment for the language classroom
- to establish contacts between teachers from a variety of European backgrounds and facilitate future networking among these professionals.
- to promote awareness of contemporary Ireland
- to produce high-quality learning outcomes for participants thereby re-enforcing the capacity and international scope of their schools

Preparation

Pre-course Preparative Modalities:

- Needs Analysis
- Pre-course information on free on-line resources for
- Pre-course cultural information
- Pre-Course general arrival information

Practical Arrangements

Intra-Course Modalities offered by the Course Provider

- Course Tutor

ENGLISH LANGUAGE + METHODOLOGY IN PRACTICE

Course Topics

English language development

- speaking, listening, reading and writing as well as pronunciation, vocabulary and grammar activities. Class work includes individual, pair and group work, discussions, debates, project work, presentations, written tasks and listening exercises.

Each week a project topic is introduced to the class and students present their project work to the class at the end of the week

Areas for improvement are addressed through revision sessions and progress tests.

Methodology in Practice

Creating a Digital Portfolio

ICT and Lesson Design

Tools and Apps for Digital Assessment

Flipped Classroom

By extension through excursions: incorporating locally sourced resources into teaching material

ERASMUS+

Course Content

The morning classes cover all the language skills - speaking, listening, reading and writing as well as pronunciation, vocabulary and grammar activities. Class work includes individual, pair and group work, discussions, debates, project work, presentations, written tasks and listening exercises. The afternoon input sessions focus on a range of current methodologies in practice, including use of technology and digital assessment and are a blend of lecture format and practical activities.

Format

A **1-week** course consisting of 28 classroom contact hours plus an afternoon trainer-led cultural programme designed to increase awareness of the wealth of locally available resources which can be incorporated into classroom teaching activities.
