ERASMUS+

This course is of significant benefit to non-native teachers who:

- Need to improve their current General English language levels
- Wish to increase their awareness of current thinking on PBL developments
- Wish to share ideas on best practice methodologies with colleagues from across Europe thereby improving the overall approach to integrating Project Based Learning into the teaching in their schools

Objectives

- To consolidate participants' English language skills
- To enhance communication in English between teachers and students
- to familiarise participants with key concepts in Project Based Learning
- To help develop participants' skills in implementing PBL in the classroom
- To increase participants' skill and confidence in the use of tech tools used in PBL
- To cover a variety of school projects for subjects such as English, geography and history with a focus on the tools and resources needed to make PBL accessible to learners through English
- To provide opportunities for improved methodology and creativity to help participants increase their student engagement and retention on their return to their own schools
- To promote awareness of contemporary Ireland
- To establish contacts between teachers from a variety of European backgrounds and facilitate future networking among these professionals.
