ERASMUS+

This course is suitable for teachers who are non-native speakers of Spanish and

- intend to teach their subject(s) through the medium of Spanish or
- are planning to start teaching Spanish at primary or secondary level or
- want to develop their language skills to improve their ability to teach Spanish
- learn about an essential area of Hispanic culture (Salsa) to enhance their teaching of Spanish

Objectives

The intention is to equip those working with Spanish with general language and communication skills valid for use in educational, social and vocational contexts and gain additional cultural knowledge and skill which could be used to enhance language teaching.

This course involves small group teaching, allowing concentrated, thorough study of Spanish, and develops all aspects of the language - listening, speaking, reading and writing. The course will develop the participants' language skills to help increase their abilities to teach and communicate in Spanish efficiently and successfully.

In addition, the participants will be able to develop an ability to dance basic salsa and an appreciation of this most widespread of all hispanic artforms.

Preparation

Spanish and Salsa

Course Areas

4 skills

The 4 skills of reading, writing, speaking and listening are all developed systematically through activities, games, role plays etc. Sometimes the approach is more traditional and direct, and sometimes it is more intuitive.

Grammar

We believe that a firm grasp of language structures and grammar is essential and that it also helps as a "signpost" to the student of their progress through their learning of the language.

Vocabulary

Our syllabus details the vocabulary items and areas which we teach at each level, integrated with the development of the 4 skills and grammatical knowledge.

Salsa Dance classes

5 days per week you have 2 Salsa Dance classes. These should enable you to be able to dance basic Salsa and an appreciation of its form..

As Salsa is such an essential and all-pervading element of Hispanic culture, a knowledge of it helps enhance teaching and an understanding of the Hispanic world.

Culture

Our teaching materials draw on aspects of Spanish life and culture from the very beginning. You will learn about Spain and the Spanish way of life as you progress in your knowledge of Spanish.

Spanish Course Content and Strategies

All our students are tested on the first day and then placed in international classes at the appropriate level. All areas of the Spanish language are covered at each level. Most of the course books used in our teaching are published by Malaca instituto and created and up-dated by our teachers. There are a maximum of 10 students per class.

We have developed an eclectic teaching philosophy combining many aspects of the communicative approach with structured learning of grammar and syntax. Aspects of Spanish culture are introduced as appropriate.

Homework is set each day to practise and consolidate the day's work and to enable all the students to progress as effectively as possible.

The Class Tutor is responsible for each class and for monitoring each student's progress.

Salsa Dance Classes

2 lessons per day at beginner/false beginner level of this Hispanic Dance form which has gained world-wide popularity. The complete 2 week programme of 20 Salsa classes is sufficient to provide most people with a skill which can be transferred to the language classroom.

Sample Programme
